## **First Quarter Mission Project**

**STUDENT COLLECTION \$296.67**

**Wednesday Mornings are Mission Collection Days!**  
Please use this opportunity to help spread God's Word with your mission offerings.

**Mission envelopes are sent home weekly with the student.**

The mission of Martin Luther College is to train a corps of Christian witnesses who are qualified to meet the ministry needs of the Wisconsin Evangelical Lutheran Synod (WELS) and who are competent to proclaim the Word of God faithfully and in accord with the Lutheran Confessions in the Book of Concord. MLC also offers professional growth opportunities and synod certification for called workers who are already serving in the ministry. The Congregational Partner Grant Program (CPGP) was a pilot project for the 2016-2017 academic year in which a congregation that submitted grant aid to support incoming freshmen with up to \$1000 per student would have their funding matched by MLC. During the second year of the program, it was expanded to include sophomore students as well. The third year of the program added junior students as eligible recipients and after four years has grown to include all enrolled students at MLC!

**The continuation of this program** in future years relies heavily on donors and the success of MLC's [Equipping Christian Witnesses Campaign](#). Your contribution can help MLC match the grants given to students whose congregations participate in the program for years to come.

God instructs us to share his Word with all people and one way Martin Luther College does this is by preparing men and women to be pastors and teachers. The students are led to study the Holy Scripture and encouraged to daily stay in the Word of God so they may grow their personal faith throughout their lives. The students are also trained and equipped with skills necessary for sharing God's Word with all people. May we, through them, help proclaim God's love for all people and help spread God's message of salvation. Your gifts help make this happen.
