## Thank God for Lutheran Worship!

*By Pastor Woldt*

October is the month Lutheran's mark the anniversary of the Reformation. Lutheran worship has a strong connection to the Lutheran Reformation. Do you know what it is? The gospel of our Lord Jesus Christ! We celebrate the Lutheran Reformation because God used reformers like Luther to preserve pure gospel proclamation. With its practices of selling indulgences, venerating relics and viewing the Sacraments as works done to appease God, the church of Luther's day was replacing gospel proclamation with a religious system that taught, "Jesus died for your sins, but there are still many works you have to do to be right with God ... and the clergy of the church are the only ones who can give you access to forgiveness you need."

The Lutheran Reformation proclaimed the biblical truth that we are saved solely by the grace (that is, unearned love) of God through faith in Jesus Christ. We offend the holy name of God and destroy his plan of salvation if we set up any other religious laws or formulas that tie strings to God's free and amazing grace. Our access to forgiveness and God's grace comes to us through Word and Sacrament. Whenever, wherever and by whomever the gospel is proclaimed, the Holy Spirit is working to create and sustain saving faith.

The gospel forms the heart of the Lutheran Reformation. Lutheran worship shares that same focus. When Lutherans come together for worship, the primary focus is not on learning how to live happier and more successful lives in this world. Our attention is drawn to what Jesus has done for us. That's gospel!

God's law has a place in Lutheran worship, but not as a series of rules and principles by which we earn God's love and expect his blessing. Lutheran's proclaim law to expose sin. Lutheran's proclaim law to reveal

our deep need for a Savior. God's holy law leads us to despair of our own ability to do everything the holy God demands from us. By itself, the law leaves us in hell, separated from God without any claim on his love.

Thank God that Lutheran worship proclaims the gospel. That's what we need! We need to hear the words of the absolution again and again as the pastor we have called to be our shepherd says: "God, our heavenly Father, has been merciful to us and has given his only Son to be the atoning sacrifice for our sins. Therefore, as a called servant of Christ and by his authority, I forgive you all your sins in the name of the Father and of the Son and of the Holy Spirit." We need to hear a sermon that presents Jesus life, death and resurrection as the solution to our greatest need - freedom from sin, death and hell. We need the Holy Supper where Jesus himself comes to us and gives us his very body and blood together with the bread and wine and says, "This body and this blood were given and poured out for you, for the forgiveness of sins."

The gospel is at the center of Lutheran worship, in the lessons, in the sermon, in the hymns, in the Sacraments. Empowered by the gospel, we are then equipped to live as God's people in the world. We listen to the law with new ears. The law which condemned us now informs us how we might thank God for the blessings we have received through the gospel.

In October we thank God for the Lutheran Reformation. Join me in thanking God also for Lutheran worship. By his grace, we Lutherans continue to proclaim what Jesus has done for us when we gather in his name. At the end of the day, and at the end of life on this earth, gospel is our only hope and comfort!

**Resolving Personal Conflict**

Ken Sande, author of *The Peacemaker- A Biblical Guide to Resolving Personal Conflict*, believes

the best way to resolve an issue is keeping a proper focus. "As important as practical skills are, the focus always has to be on motive," he says. "If our desire is to honor Christ, everything else will follow." Keeping that in mind, here are some practical tips to help resolve personal conflict:

- **Define the problem and stick to the issue.** Communication deteriorates when the issue gets lost in angry words or past issues.
- **Pursue purity of heart.** Before approaching others regarding their shortcomings, prayerfully face up to your own. Confess any way you might have contributed to the problem. See Matthew 7:5 for wise words on logs and specks!
- **Plan a time for the discussion.** Plan a time to talk when both are rested, fed, and not so stressed or distracted!
- **Affirm the relationship.** "Our relationship is important to me, but...(then state the concern) Avoid blaming. Instead, say, "When you do "A", I feel "B".
- **Listen carefully.** Once you share your feelings, listen to the other person's perspective. Reflect back what you think you heard them say and ask for verification.
- **Forgive.** Forgive as Christ has forgiven you. Do it with these promises in mind:  
I won't bring this up and use it against you in the future.  
I'm not going to dwell on it in my heart and mind.  
I'm not going to talk to other people about it.  
I'm not going to let it stand between us or hinder our relationship.
- **Propose a solution.** Remember that the relationship is more important than the issue. When working toward a solution, seek those that keep everyone's best interests in mind. "Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which is yours in Christ Jesus." (Philippians 2:4-5)

[kloescher@davidstar.org](mailto:kloescher@davidstar.org) & Pastor Woldt, Telephone # 262.377.1019 [woldt@nconnect.net](mailto:woldt@nconnect.net) )

We continue to enjoy the blessings our new ministry spaces are providing for church fellowship and Bible study. The common pastors' office is also providing us with opportunities for increased communication. We will be attending a symposium at the Seminary on Worship and Outreach. Our fall pastors' conference will be held the first week in October. Pastor Woldt will be attending Martin Luther College governing board meetings September 23-25<sup>th</sup>. KML "Imagine the Possibility" Sunday will be observed on KML Sunday here. Pastor Loescher will be making several trips to Martin Luther College both on this coming Sunday and, once again, at the end of October.

**President's report**

David Nunez, Telephone 262.677.2467,

[David.Nunez@ipaper.com](mailto:David.Nunez@ipaper.com)

**Shepherd's Staff Update** – Jeff Munn has accepted the position to be our Shepherd's Staff trainer and "super-user". He will be reviewing all the information regarding the program and start working with the program and formulating a plan of attack that he will share with Barry and me.

**New Building Committee** – The final phase of the building program is nearing completion. The parking lot paving is complete and striped. There are a few small areas that need to be completed, fill in topsoil in the dividers and a small section of concrete sidewalk to be added on the circle drive where it connects with the main parking lot. Another project coming to closure is the new coffee station that was installed on the east end of the narthex. This will definitely come into use for our fellowship activities.

**Technology Committee** – The tower legal documentation is still being worked on as we speak. Needless to say, the Technology Committee, Randy Matter and myself are making sure all the documentation is correctly worded so that not only we get the services Bertram is promising but protect

us from any unforeseen problems and issues that may occur in the future.

Hopefully this will be completed within the next two weeks so that construction can start.

**Upcoming Communication** – Starting with the Stewardship Committee, we will have a monthly communication from each of the council committees. What I am asking for is an update from each of you for about 3 – 5 minutes highlighting current projects, upcoming events and just general information on your committees. The idea is to make sure the congregation gets a quick idea on the happenings of all of our committees.

**Board for Buildings and Grounds**

(Robert Schneiker, Telephone # 262.677.2584

An air conditioning and heating maintenance contract is being considered. We will be removing some trees on the cemetery near the church to open up more lighting for the church. We are in the process of developing a key card policy for the school. We will also be changing some locks. Matt Enevold is working on light poles for our parking lot.

In response to a concern voiced by our counting committees, I contacted our offering envelope supplier (American Church, Inc.) about lightening up the colors on the weekly envelope. Once the issue was called to their attention, they quickly prepared samples of proposed changes. The selected change will go into effect at the next printing. In addition, fund numbers will be added to the offering envelopes in the near future. This will make the recording of offerings in the proper funds easier. Finally, American Church, Inc. needs to have a MID-CRID authorization form filled out which allows them to mail the offering envelopes per USPS regulations.

Stewardship kickoff of "Christ's Love – Our Calling" will take place in October. There will be an article in the newsletter and a letter from the pastors. The first Bible class for this will be October 31<sup>st</sup> and will continue into the first three weeks of November.

**Spiritual Growth Committee**  
**(Joel Pless, Telephone # 262.677.2109**

The Spiritual Growth Committee met on Wednesday evening, August 25, 2010. Planning for children's Bible class and adult and teen Bible classes took place. There are enough teachers and substitutes for each of the grades. Mrs. Doris Koeller serves as the administrator. Currently for adult Bible class, Pastor Loescher is teaching "Lessons to Share" in the church while Dr. Pless is teaching "The Mission Journeys of Paul" in the multi-purpose room, complete with slides of his

January trip to Pauline Greece and Turkey. Pastor Woldt is teaching the teens in the concession area. Starting October 31 and continuing for three more weeks, Prof. James Korthals will be teaching a stewardship-themed course entitled, "Christ's Love, Our Calling". Teachers for adult Bible classes have been partially secured through January, 2011. The Barnabas groups at David's Star have resumed meeting and the congregation's cradle roll continues to function well.

Jeff reported on Mission Festival. There were 260 people served for the meal. Chris Rose helped coordinate the meal, and has indicating a willingness to continue coordinating meals. In addition, Tiffany Knight coordinated the teens who helped with collecting trays, etc.

A motion was made and carried to accept all reports except those items that needed separate action under old or new business.

**Old Business**

Future of "Parish Center" – There was discussion regarding giving consideration to using the space in a way to serve our members better, as well as an outreach tool. One thought is to expand our childcare program, and utilize these facilities for things such as everyday preschool care for days school is not in session. There are questions regarding the costs of upgrading and maintaining the building. Other issues to address would be whether we should survey current parents to see if they would use this service, as well as the potential income, how much help would be needed, and the potential costs involved.

It was decided to handle this by conducting a feasibility study split up in two parts. The first part would be a facility feasibility to be conducted by the Board for Buildings and Grounds. The second part would be a ministry feasibility, and this would be handled by the Board of Education.

Designate an alternate lay delegate for the 2011 WELS convention. This remains open.

Cemetery Regulations revision – Council reviewed a revised handout.

## New Business

Designation of Anonymous Gift from WELS Foundation – We received an anonymous gift from the WELS Foundation for \$40,000. According to our undesignated gift policy, the gift would be allocated to be used as follows: 40% for an Operating Endowment Fund, 30% for the Building Fund, 10% for the Synodical School Endowment Fund, 10% for the Building & Improvement Fund, and 10% for the KML Foundation. A motion was made and approved to bring to the voters the recommendation to allocate this gift as per the above breakdown, but to apply the 40% that would go to an Operating Endowment Fund be directed instead directly to our Operating Fund Deficit.

Designation for Thrivent Choice dollars received – Council discussed how to use these gifts as they are received. After discussion, it was moved and carried to have these gifts be directed to debt repayment.

Scholarship Funds Investment Policy – A handout was distributed outlining the procedures that we would follow as a guideline for the investment of these funds in the WELS Investment Funds. After discussion, there was motion made and approved to move forward with this new policy.

### Items for Voters (for the October 14<sup>th</sup> voters meeting)

Designation for Anonymous Gift from WELS Foundation

Next months meeting is **Tuesday, October 12, 2010 at 7:00 P.M.** The next Voters meeting will be **Thursday, October 14, 2010 at 8:00 PM.**

A motion was made and carried to adjourn. The meeting was closed with prayer.

Respectively submitted,

## OPPORTUNITIES

I was watching an old football follies' show on television recently where the film makers made fun of themselves. Former NFL coach Chuck Knox actually coached three different professional football teams. Each time he did the NFL did a film subject on where Coach Knox had gone. Each time they titled the short film "Opportunity Knox!" Catchy, but as the filmmakers put it, using that title three times did not show much creativity on their part.

But what about when our opportunities knock? Many times when we look back at things that happen in our lives it is the opportunities that are lost that are sometimes painful and that we regret. I am certain many of us can think of things we wish had a chance to do that we did not do or to do them over again.

Some people spend a lot of time thinking about yesterday's regrets and tomorrow's worries. Still each day opportunities happen. Opportunities are all around us if we will just look. Focus on the opportunities you have today. It will help you forget the regrets and worries. We can't take action on the past and we know the future is in God's control. You can do something now, do something today. Our worries, fears, and regrets are not from God, but are part of our sinful nature placing roadblocks in our way to finding opportunities in our life.

Today is the day to take the opportunity to plan for your estate if you have not. And if you have planned for your estate today is the day to take the opportunity to review what you do have to make sure things are as you would want them to be. Having your estate plan in place takes away the worries, fears, and regrets of where the gifts God has given you will go when the Lord calls you home. Your opportunity knocks to get it done. If you need help, please contact Bill Truebenbach, David's Star Planned Giving Chairman at 677-2066 or at [btruebenbach@tlha.org](mailto:btruebenbach@tlha.org)

## Comes to David's Star

Our new synod theme, "Christ's Love, Our Calling," was launched at the 2009 synod convention. Now it is heading to the highways and byways of our synod through a special four-year stewardship emphasis.

The word "stewardship" usually brings to mind encouragement to be more intentional with how we use our worldly wealth. However, there are other important aspects of stewardship as well. This year our primary focus will be on our time. Love Takes Time!

The "Christ's Love, Our Calling" theme intentionally begins with time. Consider the following:

If we spend no time with God's Word, then time is being spent actively starving our faith to death (Romans 10:17)!

If we spend no time at church in worship, why would we want to be a part of our church's ministry?

If we spend no time with our family, how can we say that we love our family?

If we spend no time with our neighbors, would we care to reach those same neighbors with the gospel?

Love Takes Time will look at the various relationships in our lives and then encourage us to carefully steward our time in those relationships. Here at David's Star we will dedicate four weeks to this important emphasis. Upcoming topics include: Seeking Time with the Body of Christ and Seeking Time for My Neighbor. The first Sunday of this year's stewardship emphasis is October 31. Members who regularly attend Bible study will be happy to know that *Love Takes Time* will also be the emphasis in a companion Bible study. We would encourage all our members to take part in this important study of God's Word.

We'll see you in church on October 31. Until then, know for certain that Jesus knows all about time: "*But when the time had fully come, God sent his Son, born of a woman, born under law, to redeem those under law, that we might receive the full rights of sons*" (Galatians 4:4-5). He entered into time—human history—to save us forever. That's love! That's our calling!
