4th GRADE CALL EXTENDED

The Voter's Assembly met after the late service yesterday to extend a call to fill our 4th-grade classroom and technology director position. We extended a call to John Schleis who is currently teaching at Star of Bethlehem Lutheran School in New Berlin, WI. Please pray for Mr. Schleis as he now considers his current call to Star of Bethlehem and our call to David's Star. May the Lord lead him to a decision that is to the benefit of his Kingdom and the glory of his holy Name.

Dear Brothers and Sisters of David's Star Lutheran Church and School,

God's grace and blessings to you!

I have received your Call to serve as fourth-grade teacher and technology director. I am shocked and humbled that the Holy Spirit led you to extend this call to me. God uses all of us to spread the saving message of Christ crucified. I am confident that God will bless His Church.

As I examine the gifts that God has given me, I ask that you pray for my family and I, as I deliberate where I can best use my gifts in building the Kingdom. I look forward to hearing more from you about your ministry there in the Jackson area. Please reach out to me in the coming weeks. My contact information is below.

In Christ Alone,

John Schleis

MASK MANDATE

No matter what is decided in Madison concerning the wearing of masks, David's Star Lutheran School will continue to require a mask to be worn by students, teachers, and visitors inside the building before, during, and after school. The reason for this is two-fold. First, we have had a healthy school year so far, and we would like to see it continue. Second, students are not always able to practice social distancing, so it is important that we continue to wear masks and wash hands on a regular basis. This agrees with the CDC and the Ozaukee/Washington County Health Department. The wearing of masks will be evaluated again in the future, but for right now we ask all families to support the school in this decision. If you have any questions, please contact Mr. Gustafson by email tgustafson@davidstar.org.

THIRD QUARTER MISSION PROJECT

CENTRAL AFRICA MEDICAL MISSION

STUDENT COLLECTIONS \$122.51

Mission envelopes are sent home weekly with each student and are collected on Wednesday Mornings.

With God's help, hundreds of thousands of patients in Zambia and Malawi have been touched by the work of the Central Africa Medical Mission (CAMM). Mrs. Linda Liesener, a David's Star member, and Alicia Liesener, a former David's Star member, have been active in this mission effort of our Synod.

Lutheran Mission Rural Health Centre – Zambia Our clinic, originally known as the Mwembezi Clinic, was established in 1961 and is located about 50 miles northwest of Lusaka, the capitol of Zambia. The property consists of clinic buildings, Martin Luther Church, and housing for workers. Medical services include preventive health care for children and expectant women, as well as treatment of patients with illnesses. Extended services are also provided. Our clinic continues to be recognized by the Zambian government for exemplary care.

Lutheran Mobile Clinic – Malawi-The Lutheran Mobile Clinic was established in 1970 and operates from Lilongwe, the capitol of Malawi. A Land Cruiser serves as the clinic ambulance and transports the medical staff and supplies to four different clinic sites ranging from a 20 minute to 1-hour ride from Lilongwe. Sites include Suzi, Mwalaulomwe, Thunga, and Msambo. Each clinic site has a one-room building, which conducts clinic one day a week, and serves as a church site on Sundays and for other gatherings during the week. The clinic focuses on preventive health care, but also tends to those that need medical attention. An infant wellness program that includes immunizations is provided for children birth to age 5. Prenatal care is provided to expectant women; all sick patients receive examinations and treatment from a trained clinician. Nutrition classes and health lessons are also provided to those attending.

The Lutheran Mobile Clinic national staff is under the direction of an American Nurse-in-charge and Clinic Health Administrator who each serve a 3-year term.

Together, the clinics in Zambia and Malawi serve over 80,000 patients a year. Each clinic day begins with devotion so that all in attendance can hear the Good News of their Savior.

JAM (Jesus and Me) is a Christ-centered program aimed at serving families with children who are not yet old enough for Kindergarten.

Children can be accompanied by a parent, grandparent, babysitter, etc. Activities include: Bible lessons, singing, free play, craft and snack time.
